## DIRECTOR/OWNER

### KENT MCCORD (HE/HIM)

Kent and his many successful ventures have been a fixture in the Canadian and USA Dance Industries for over sixteen years. Kent started by owning two studios back in the early 2000, He then went to launch **DANCE ATTACK WORKSHOP**, a well-renowned company that provides top-quality workshops all across Canada and the USA. Kent has been fortunate to work alongside some of the biggest names and companies in the dance world.

In 2015, Kent introduced a one of kind opportunity for networking and expanding knowledge to the Canadian dance community **THE TORONTO DANCE TEACHER EXPO**. Kent followed this by introducing **THE CALGARY DANCE TEACHER EXPO** to his fellow Western Canadian dance friends in 2017.

Kent refuses to slow down in his vision to better the Canadian dance community, and his next effort was to provide a Top-Notch Competition for dancers in Canada called **DANCE ATTACK COMPETITION** which has been featured across Canada and continues to grow in Ontario to 8-10 locations each year.

Kent continues to prove his dedication to dancers in this country, **DANCE ATTACK STUDENT EXPO** was launched in the fall of 2017, which provides one kind of weekend for students and parents. Over 500 attendees have the opportunity to attend this massive expo each year!

Along with partners they have created POINT OF VIEW – Photo/Video, a unique and current technology-based company to serve competitions and studios with all their Photography and Videography needs in the dance industry.

Recently, Kent sold his latest business, All That Jazz Dance Company, a very successful and competitive studio in his hometown of Chatham, Ontario to focus more on building the Dance Attack brand as it continues to grow in the dance industry!

Kent is a loving father of his two beloved boys, Carson and Denny, and enjoys spending any downtime he has with his wonderful sons, two cats, attending boot camps, kickboxing, playing hockey, and softball in his limited spare time.

# STUDIO SPIRIT AWARD

Our cherished Studio Spirit Award embodies five principles:

- 1 Always being on time for every performance.
- 2 Supporting each other by refraining from being "In the Wings" during fellow dancer performances.
- 3 Respecting the privacy of our dancers by refraining from capturing videos or photos during performances.
- 4 Acknowledging the importance of a dedicated seating area for our teachers without hindering their ability to do their job.
- 5 Embracing the sacredness of the stage by leaving cell phones off during awards.

At Dance Attack, we believe in recognizing excellence through peer evaluation. The Dance Attack Studio Spirit Award is determined by votes cast from each studio director. Every studio will have a single vote. Importantly, studios cannot vote for themselves. Directors must acknowledge the best practices of dancers, teachers, and parents from studios other than their own.
